

## Noda City Residents' Associations

“Streets where you can walk safely at night with security lights, neighbors you can evacuate with in case of emergency, memories of festivals, etc! “, A town that is good for you is also good for everyone.

A resident’s neighborhood association is a place where "for oneself" and "for everyone"

### Residents' Association Organization Map

About 46,000 households are members of residents!

**The first step is to casually greet and talk to your neighbors. As the saying goes, “Better to be a stranger nearby than a relative far away.”**

**In cases of emergency, neighbors and residents are the most reliable people, and resident’s associations work hard to ensure that people living in the same neighborhood get along and help each other.**

**Why don't you join your resident’s association and participate in the creation of a bright, comfortable, and safe community?**

# This and that! Your Resident's Association Activities.

## Welcome to Noda City! Join the residents' association!

As the saying goes, "Better to be a stranger in the neighborhood than a relative in the distance," People who live next door or in the neighborhood are the most reliable in times of need. It is the resident's association that is engaged in activities to expand the cooperative relationship between neighbors and to make the community a better place to live.

Let's make your debut in the community through the activities of your resident's association!, and start "living in Noda City" with vitality.

*For those who have not yet joined . . .  
Let's enjoy our lives together!*

Let's enjoy our daily lives by feeling the connections among people through various events.

Let's socialize without putting our shoulders to the wheel and saying, "I don't want to be a burden on others. Young people who live alone should also join a resident's association.

Please get to know your resident's association better and lend us your help to the extent that you can.

### Disaster prevention and peace of mind

Festivals and resident athletic meets are local events that can be easily attended, and the interaction between neighbors strengthens community ties.

Peace of mind through exchange

### Helping each other & community building

#### Support System for Persons Requiring Assistance for Evacuation Action

The resident's association is focusing on creating an evacuation system for those who need assistance in the event of a disaster, such as elderly people living alone, households with infants, etc.

### Peace of mind through security

We patrol to keep children and the community safety.

### Clean town planning

A clean and pleasant town, free of garbage and full of flowers and greenery. The resident's association is committed to the beautification of the community.
